In a privileged environment, we are surprised by this charming apartment with all the comforts to enjoy life in the center of Valencia.

Upon entering we find a large space with a cozy living room and a fully equipped kitchen with quality appliances. We continue the tour and we have a spacious double room, with an in-suite bathroom. The entire studio is decorated with warm and bright colors, the floor is made of wood and the high ceilings contribute to a great feeling of space. The property is bright and also has two small balconies that overlook a quiet and pedestrian area. It is a wonderful opportunity to live in the heart of Valencia, surrounded by the best

shops, theaters and services, just two minutes from the Plaza del Ayuntamiento.
