This wonderful terrace of about 7m2 with sliding windows, which are completely removed, thus giving more breadth is ideal for organizing dinners with large groups of friends; In addition, it is also glazed so that in winter you can also enjoy it. The Suite room is decorated very elegantly, the bathroom is glazed and the location of the pile is the most exclusive. The

kitchen is completely renovated safeguarding even the smallest detail both in decoration and storage. Next, we find the laundry area. Finally, the second room is equipped as an office but it has hidden wooden wall cupboards and the table can be trimmed to have more space for the bed. It also includes a parking space in the price and concierge for more security and comfort of the tenant.
