In Guillem de Castro, a few steps from the Plaza del Ayuntamiento, we find this house with three bedrooms and two bathrooms, renovated with its equipped kitchen and furnished with an avant-garde style.

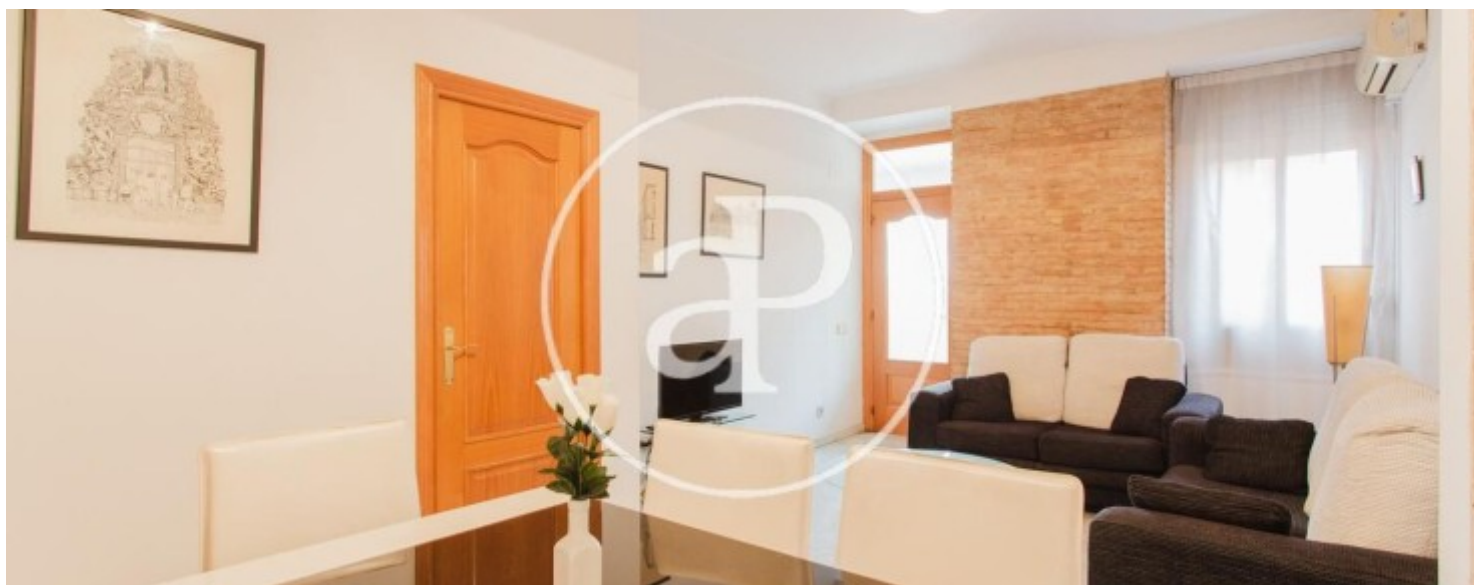

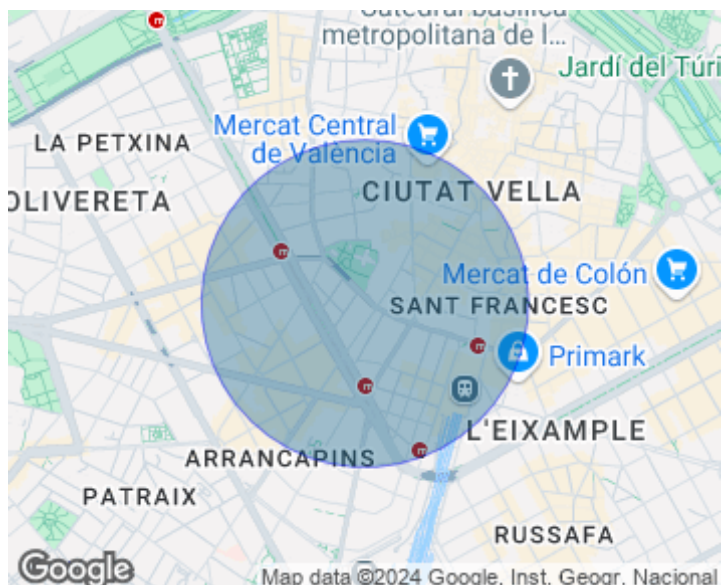

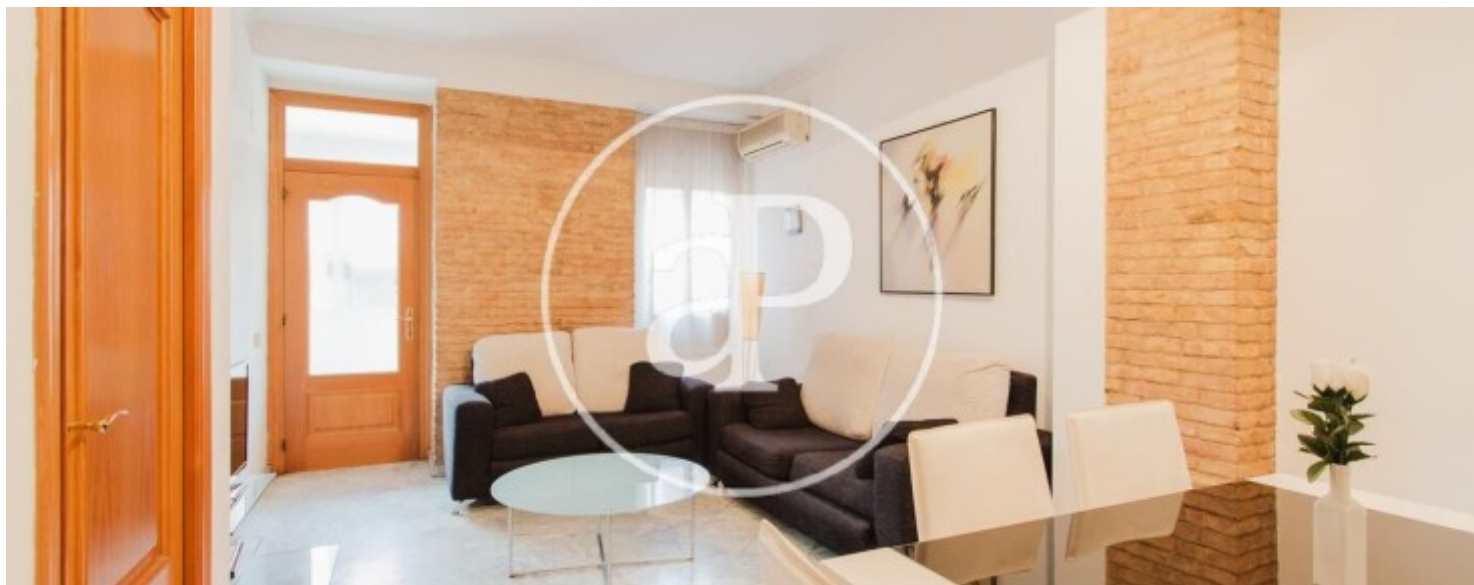

This apartment, in a unique building, whose facade is protected, has been renovated and restored conserving original architectural elements such as: beams, ceilings and friezes in vertical walls, pillars of handcrafted brickwork that have been discovered and treated, as well as the original doors of the house. However, the reform included all the necessary elements to make it comfortable and comfortable. The floor of the house is made of marble. Highlight this house, in

addition, its luminosity despite being a first floor and that gives it two balconies to the road where it has access and views of the gardens of the old hospital. Due to its location, in the center of the city, it enjoys all the services, communications, small commerce and proximity to museums and buildings of relevance in Valencia. In short, it is a home, for those who decide to reside in the heart of Valencia, in a unique building with all the comforts.
