Located in the most consolidated area of the Campanar district, this modern 138m² apartment with a 5 m² terrace is located.

The house is located on the fourth floor of a building built in 1994 and equipped with an elevator. The property has a comprehensive reform carried out recently in which quality materials have been used. The apartment is distributed in living room, kitchen, four bedrooms and two bathrooms, one en suite. The modern kitchen is located next to the living room offering the possibility of converting it into an open kitchen to the living-dining room. The terrace is accessible from the living-dining area so it enjoys pleasant views. The

house is all exterior and very bright, heating by cold and heat pipes and garage in the same building with direct access. Your new home has a complete network of services and a fast and convenient connection to both the center of Valencia and its main access routes. In its surroundings there are several schools, institutes, health centers such as Hospital 9 de Octubre and three shopping centers very close. If you are thinking of buying modern apartment in Valencia, do not miss the opportunity to know this fantastic home with a brand new reform, located in a consolidated area of great activity...
