Spectacular design loft in the city of Arts and Sciences.

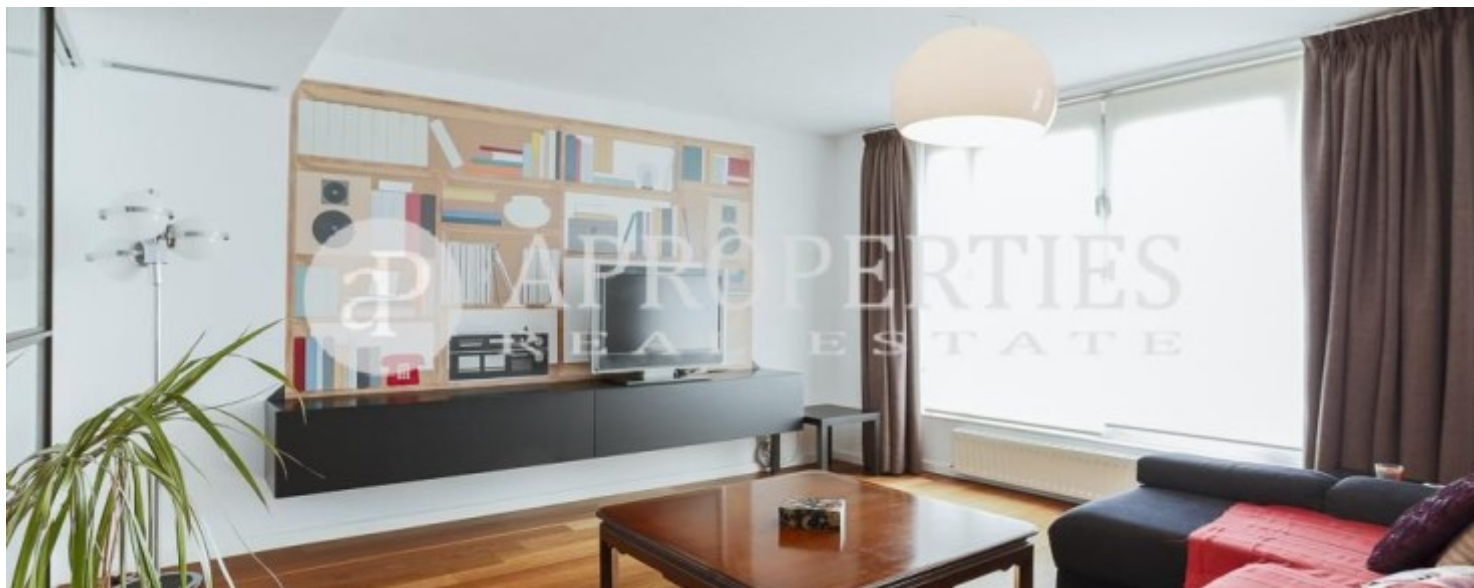

Designed with an exquisite taste and with first quality materials. The house consists of seven rooms. The main room is the spacious living room, with first quality furniture. It divides the kitchen, with hydraulic floor and with all the necessary appliances, refrigerator, microwave, oven and induction cooker. Furnished with cabinets designed to measure all the household items. Next we have a large dining room. These three rooms have a light and spectacular views, where you can see the entire City of Arts and Sciences, the maritime districts and the Valencian coast. Next we have the main room, designed with

exquisite taste. This room has sliding doors to divide the rest of the room, and another window with the same views, from the previous room described. Next to the main room we have a dressing room. The second room we have an office, but because of the great amplitude, it can be used as a second room. The rooms described above have natural Iroco parquet floors. The bathroom has a spectacular design, with floor and stone coating of Bateig. Finally we have the other two rooms where we place, the washer and dryer, and the air conditioning, heating and water decalcification devices. Within the...
