In the most modern and demanded area of Valencia: City of Sciences / City of Justice, we find this spectacular house with three bedrooms and two bathrooms.

The house is fully furnished and its kitchen equipped with all the top brand appliances. The spaciousness of its 145 m², is evident in the large spaces of the living room and its three rooms. Located in one of the best and most elegant residential areas of the city, it has a gym, common areas and a heated pool. As for security, the residential has 24 hour concierge and surveillance. As for comfort, the house has natural gas heating and air conditioning. It highlights its luminosity granted by the large windows to

the outside from ceiling to, practically, the floor. We highlight the housing: Its heated pool, gym, amplitude and distribution of the house. Having a parking space, in the same building and included in the price, further enhances the comfort already argued. On the other hand, the terrace, wide and with views, allows the use of it throughout the year. Due to its location in a neighborhood, modern and at the same time consolidated, it enjoys all the services: Schools, small neighborhood shops, El Saler Shopping Center, entertainment venues, etc. Communications: Different bus lines of the EMT,...
