**Imposing regal and stately building, fully rehabilitated in 1998, located in the heart of Valencia with more tradition, Ciutat Vella.**
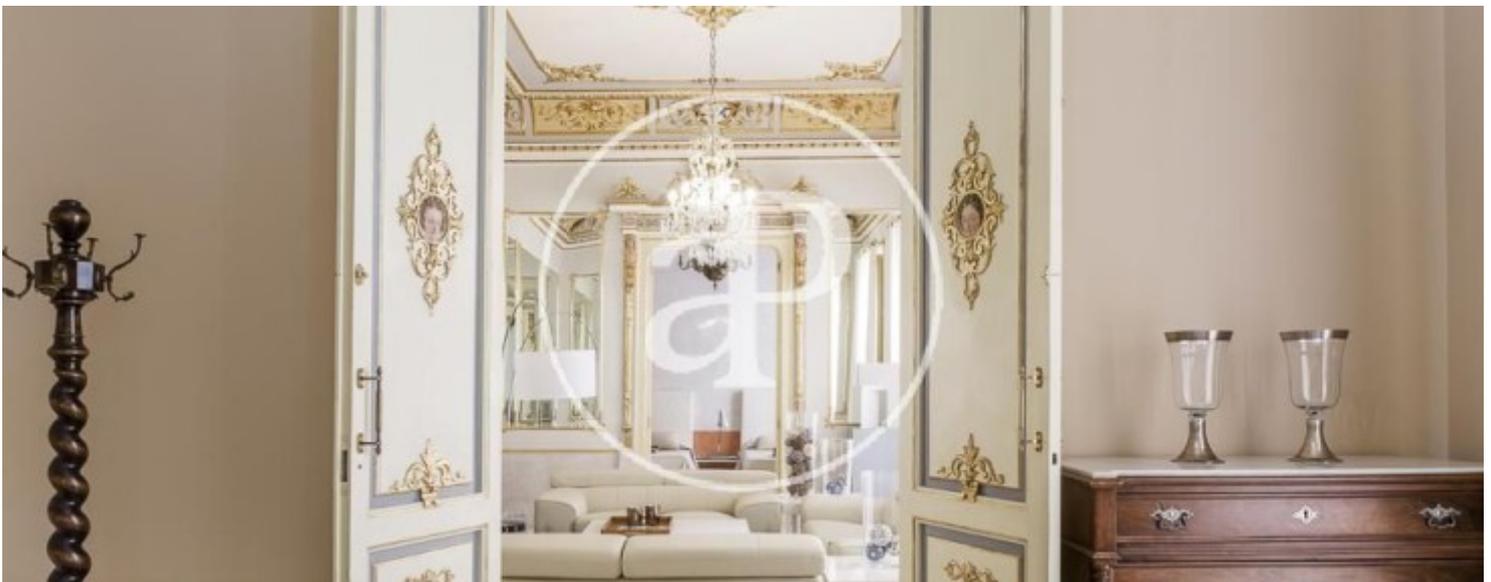

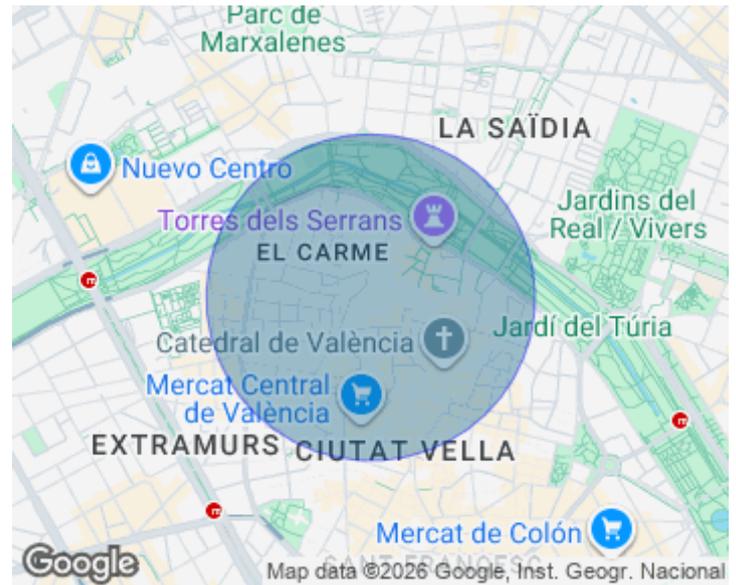

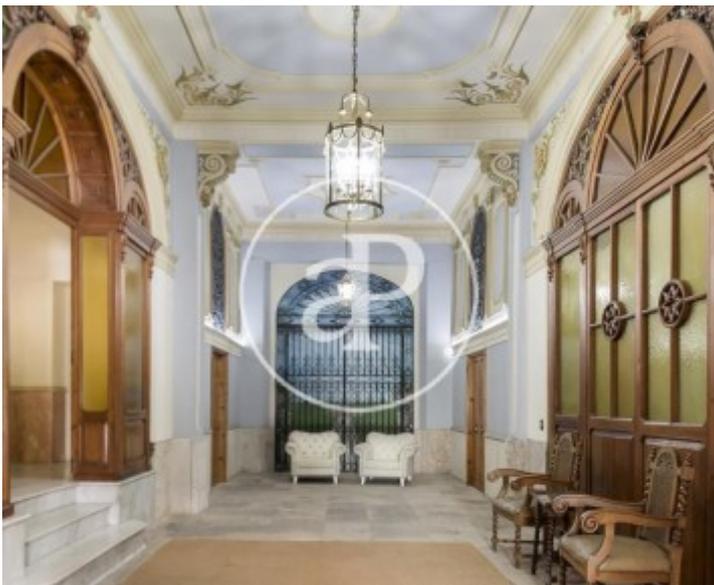

It is divided into different cadastral units dedicated to residential, commercial and warehouse-parking. It is an old palace of the nineteenth century that has been rehabilitated with exquisite taste, taking care of all the original details of the time it was built. Its location is equally exceptional, being in one of the most traditional and most historic streets of the City. The building comprises different homes and commercial premises. In addition to an optional parking area, out of this price. Currently in profitability, there are various types of rental underway.
