Recently renovated apartment in the Central Market area.

The house has three large rooms all with windows to the outside, so there is a great brightness throughout the house, in addition to having a good isolation to have all the windows of "Climalit". The kitchen and the large living room are in the same room, giving a feeling of spaciousness to the entire house. The exit to the balcony is through the kitchen and overlooks a pedestrian street. It has two bathrooms that give enough service to the whole house. It has everything to be able to enter to live, cooks with all the electrical appliances, household, takes of Internet by fiber, in case it were

necessary to contract this service and cabinets in all the rooms and in the corridor. It has A / C of 5000 frigocalorias enough for the whole house. Do not hesitate to visit this beautiful apartment, which is located in the heart of Ciutat Vella, a few meters from the Central Market, Plaza del Ayuntamiento, Lonja de Valencia and the Micalet.
