Aproperties is pleased to present this spacious four-bedroom apartment with two full bathrooms, located close to the Central Market.

The property has been renovated and the living-dining room provides access to two balconies. It is equipped with two split-system air conditioning units, capable of cooling and heating the entire apartment. The property can be rented fully furnished for an additional €200 per month. It is located on the third floor of a building with a lift. The El Mercat neighbourhood, popularly known as the Central Market district, is the historic, commercial and gastronomic heart of Valencia. It is an area with a unique character. During the

day, it is one of the city's liveliest neighbourhoods, where local residents, tourists, restaurateurs, shop owners and people working in the historic centre all come together. At night, the atmosphere changes completely. Once the market and shops close, many of its streets become peaceful and quiet, especially those away from the main leisure areas. If you are interested in this apartment, please do not hesitate to contact us. We will be delighted to assist you.
