Magnificent apartment for rent located in the Pilar neighborhood, next to the Mercat Central and Torres de Quart.

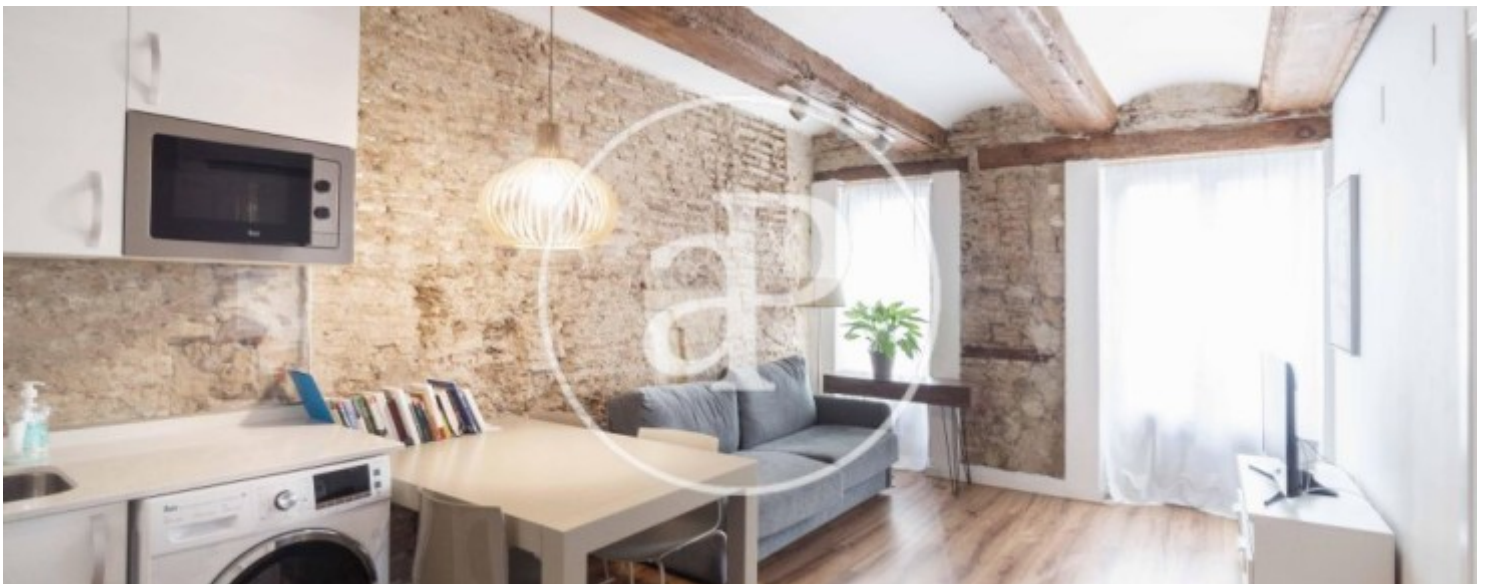

This apartment is on the second floor within a classic building built in 1890, and completely renovated inside, respecting its initial facade and many details of its interior. The house has high ceilings and a feeling of spaciousness, as well as the same warmth, to preserve the wooden beams and the original caravista walls. When we enter the house, we find the living room and kitchen. All this part of the house has a great luminosity, since it has large windows, which give way to two balconies, which overlook the main street. This street is very quiet and

very nice. The living room has all the comforts, sofa, TV cabinet, two tables, dining room and another fountain with its corresponding chairs. The kitchen is equipped with all appliances, refrigerator, washer-dryer, microwave, oven and induction cooker. The second room of the house, we have the master bedroom with a bathroom in Switzerland. The room has a ceiling height of eight meters giving an impressive feeling of spaciousness. And at the same time warm, and they have preserved both the wooden beams and the original caravista walls. It has a fantastic location, as it is a five-minute walk...
