Incredible apartment for rent, located in Ciutat Vella, more specifically in the Pilar neighborhood.

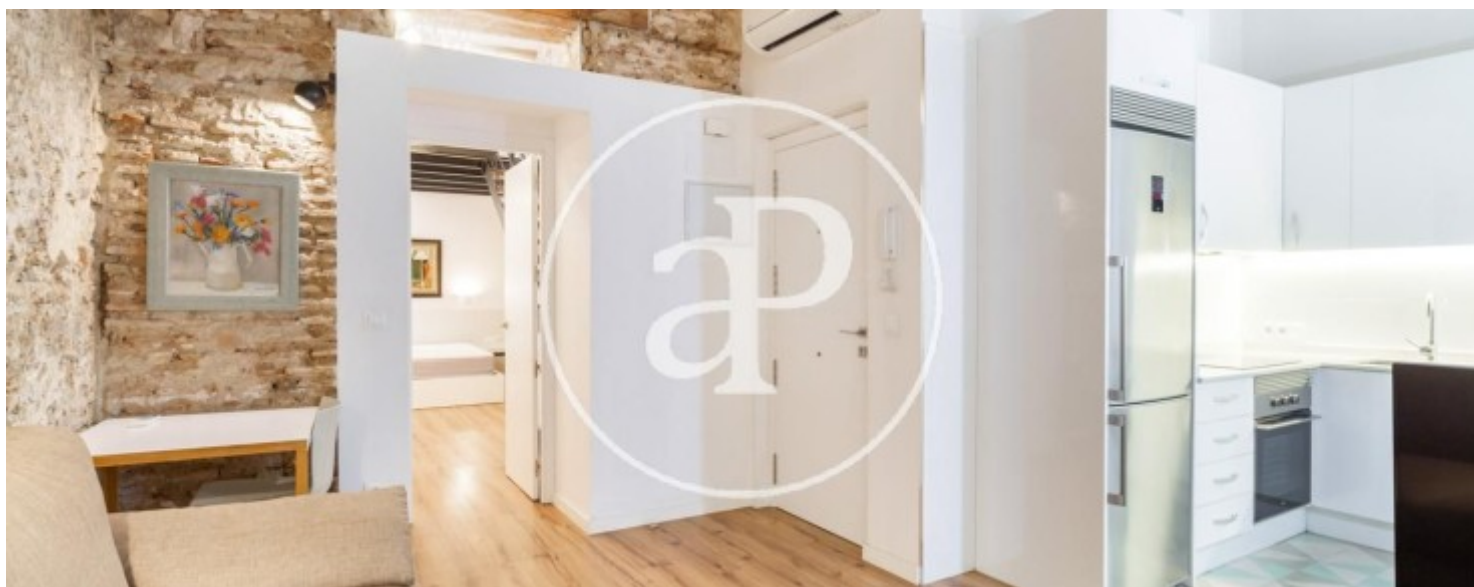

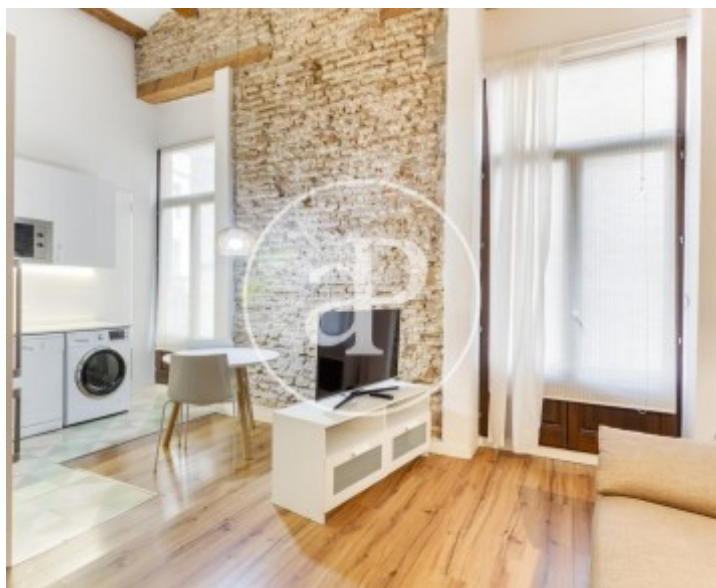

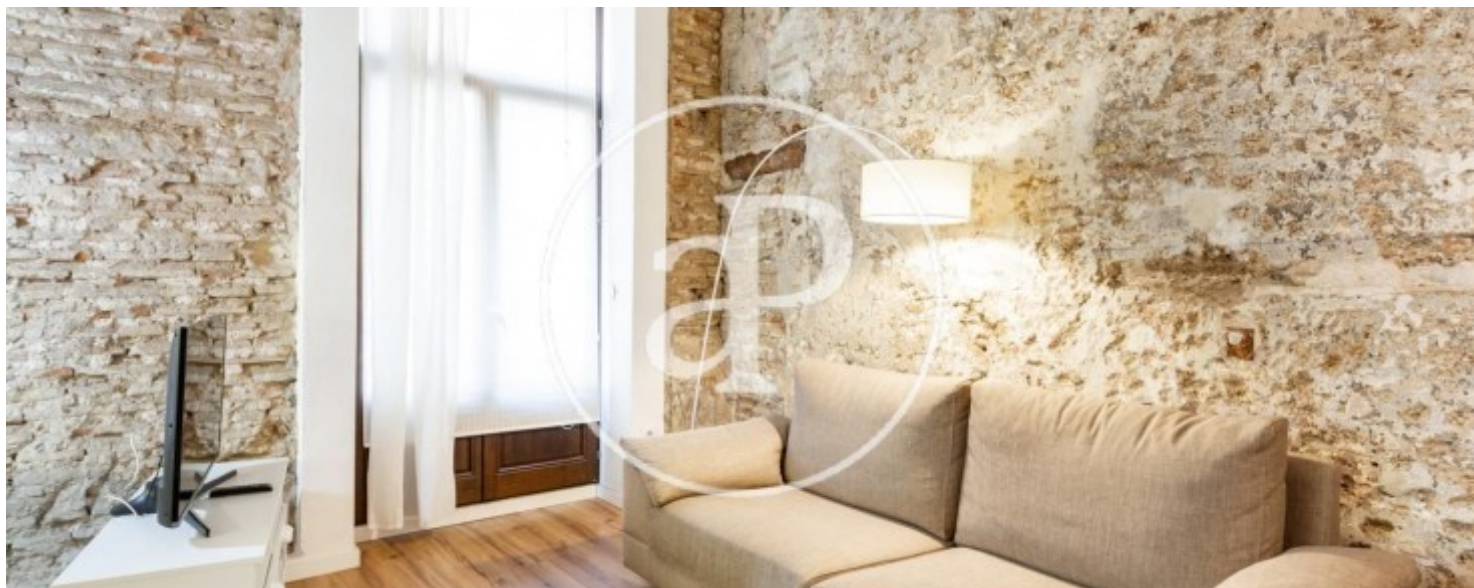

This apartment is located inside a classic building built in 1890, and completely renovated inside, respecting its initial facade and many details of its interior. The house has high ceilings giving a feeling of spaciousness, and at the same time of warmth, to preserve both the wooden beams, and the original caravista walls. When we entered the house, we found the first room. This part of the house is the living room and kitchen. All this part of the house has a great luminosity, as it has large windows, which give access to two balconies, which face the main

street. This street is very quiet and hardly has traffic. The living room has all the comforts, with sofa, furniture for television, two tables, one dining room and another one with its corresponding chairs. The kitchen is equipped with all appliances, refrigerator, washer-dryer, microwave, oven, utensils and kitchen by induction. The second room of the house, we have the master bedroom with bathroom suit. And in this same room we have the staircase that goes up to an attic where another room is located. The room has a ceiling height of eight meters giving a feeling of impressive...
