We are in front of a nice property in a classic building in the old town of Valencia, updated in 2016.

It is a very quiet property with four floors with one house per floor. The house is on the second floor. Upon entering we find the living room with large windows overlooking the Plaza Manises. The kitchen is independent and is fully equipped. Next, we find a full bathroom with separate shower that serves two rooms with wardrobes, one with two beds and another with a double bed. To complete the house, we found the main room with bathroom in suite with shower. The house is rented furnished. A / C and heating by heat pump in the dining room. The building consists of an

elevator. Do not hesitate to visit, we will be happy to assist you.
