This incredible property is located in La Seu, a few meters from the Plaza de La Virgen.

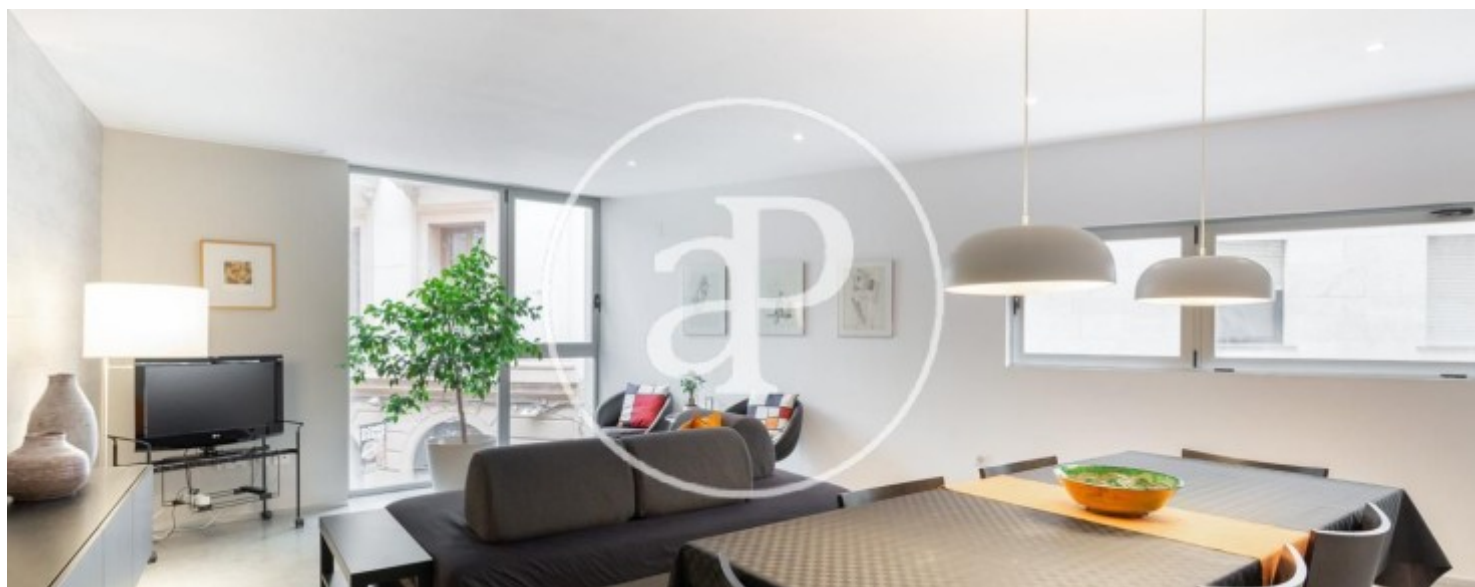

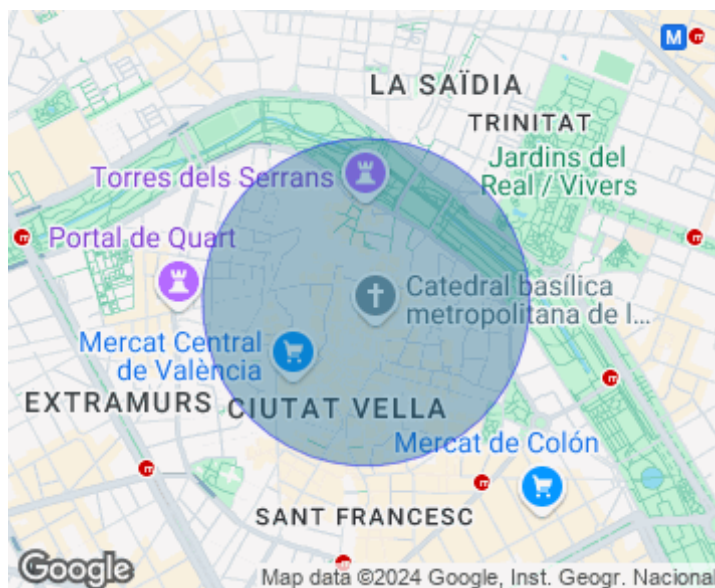

That is, next to the Turia River Channel, the Plaza de La Reina, Calle de la Paz, etc. An unbeatable location, in the heart of Valencia. It has a spacious and bright living room with views of the Miguelete, which connects to a large fully equipped kitchen with plenty of storage space that connects to the private elevator with exclusive access to the house. Next we find a spacious room with a lot of storage space and a complete bathroom en Suite, with access to a charming terrace, very well decorated. It should be noted that it has centralized hot / cold air conditioning and

heating by gas radiators. Great qualities in the materials used and a studied distribution, taking advantage of each space. It also has small details in the lighting and it is worth highlighting its decoration.
