We are facing a beautiful property in a classic building in the old town of València, updated in 2016.

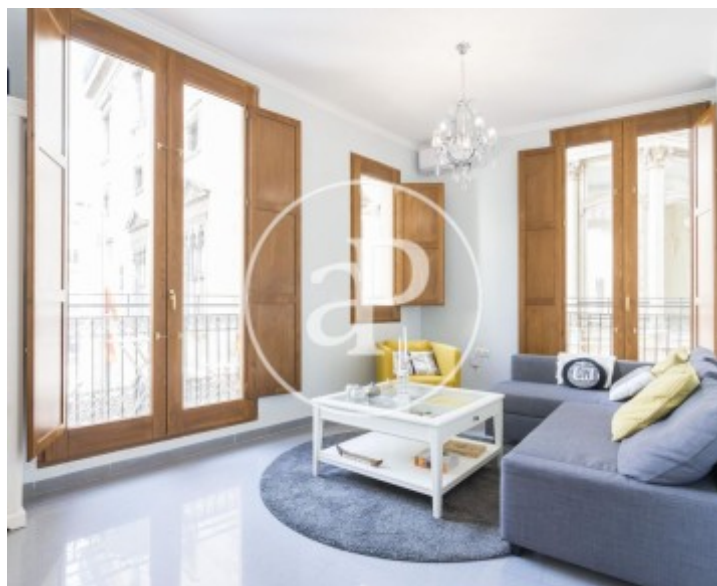

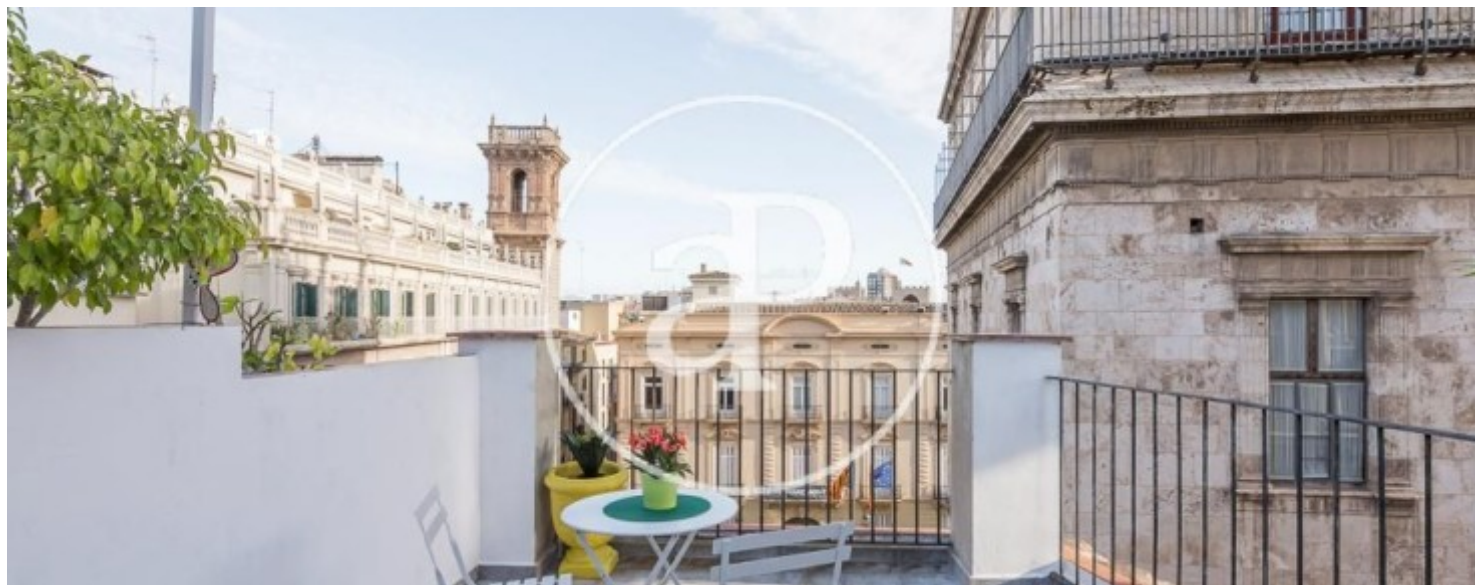

It is a very quiet four-story building with one house per floor. The house is in the second. As soon as we enter we see the living-dining room with large windows that overlook Plaza Manises. The kitchen is independent and fully equipped. Next, we find a bathroom with a separate shower tray that serves two rooms that have wardrobes, one with two beds and the other with a double bed. To complete the house, there is the main room with an en-suite bathroom with shower. The house is rented furnished, it also has A / C and heat pump heating in the living room. It

has a terrace for private use. The building has an elevator. Do not hesitate to visit it, we will be happy to assist you.
