Charming penthouse with three bedrooms and two full bathrooms, one en suite with shower and another with large bathtub, in perfect condition.

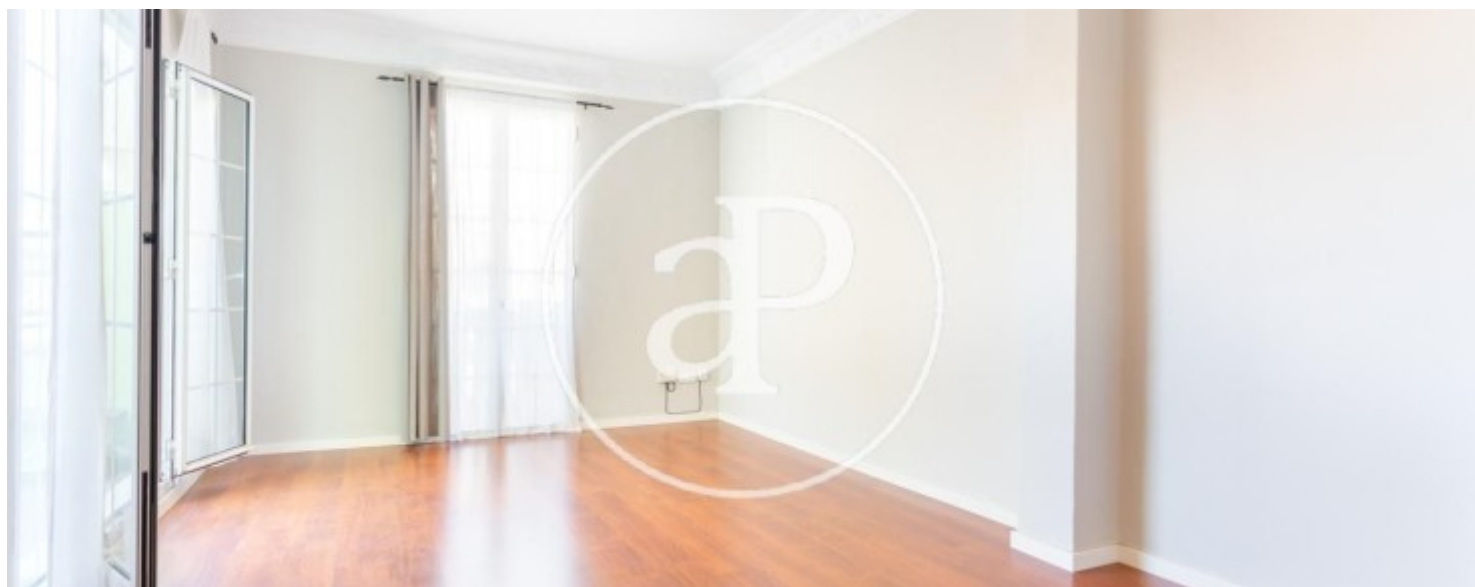

The house has an east facing terrace, perfect to enjoy the magnificent Mediterranean climate. It has a city gas boiler for hot water and complete air conditioning with air-zone system that allows to keep the temperature in each room under independent control. Newly installed parquet floor. The amount of natural light available and its high ceilings make it a great place to live. A quiet modernist building in the widening of Valencia, in the most commercial street of the area, surrounded by traditional commerce and a

multitude of leisure options, two steps from the new riverbed, several schools and the center of the city. It has, optionally, a large garage with a storage room of 6 m2 in the same block. There is also a common storage room on the ground floor where you can store bicycles.
