This house is in a building of recent construction (year 2010), and has an area of 59 square meters, with the following distribution: a bright living room with kitchen equipped with all appliances brand new (2-meter refrigerator, oven-plate, microwave, dishwasher and washer-dryer); a room with a double bed of 150 with chest and fitted wardrobes; and a bathroom with shower. The house is completely exterior, which is very bright, and is brand new, has hot and cold air conditioning ducts, marble floor, osmosis, double glazed windows (which is very isolated from noise, plus that is a quiet quiet), armored door, safe and elevator. Its location is excellent, since it is located a few meters from the Paseo de la Alameda, with its old Turia River bed and the Royal Gardens, equipped with sports, green and

children's areas; and it has the center of the city of Valencia just crossing the bridge. It has all kinds of services around: supermarkets, pharmacies, the hospital La Quirón, and various types of cafe bars and restaurants that give life to the area. Do not hesitate to contact us if you are interested in this wonderful home. (Pets are not accepted)
