In one of the most consolidated neighborhoods of Valencia, La Roqueta, embeds this elegant apartment of 148 m2 completely renovated inside a building built in 1949.

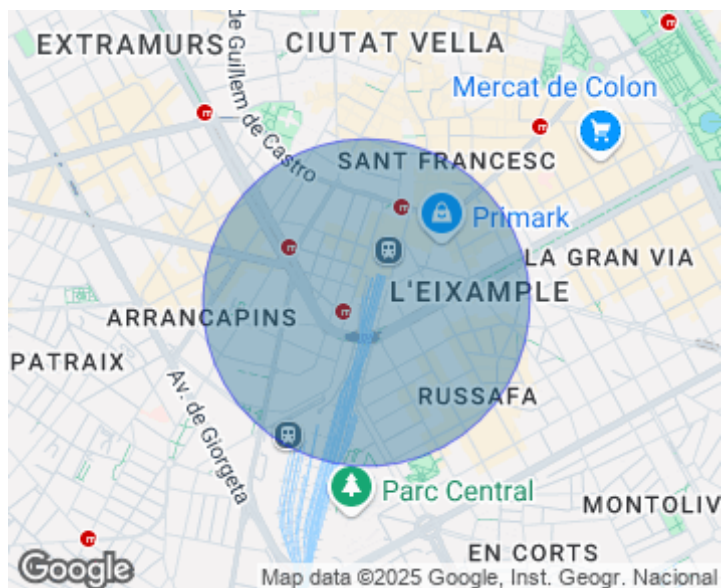

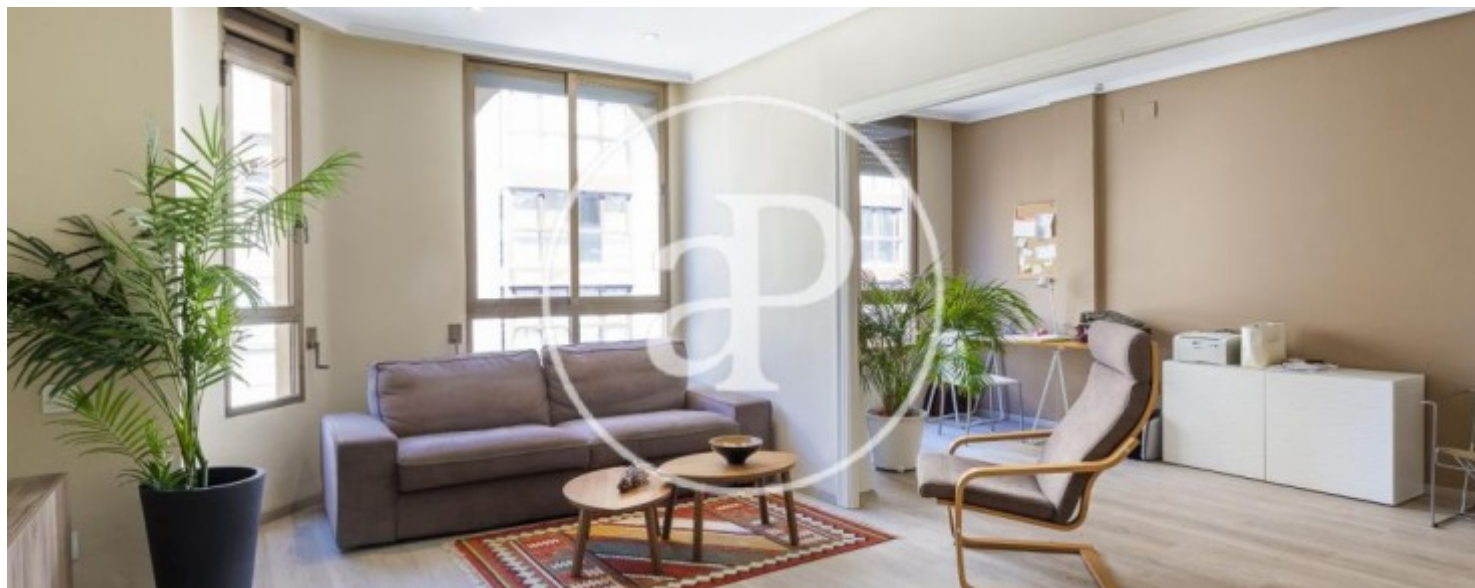

The house currently has three rooms, although originally they were five rooms, but their own property made the rooms in a diaphanous area, making it a cozy living room - office overlooking the street where this property is located. All rooms have large fitted wardrobes. It has a living room - dining room with kitchen office overlooking the Joaquín Sorolla station, where a window with climatic crystals, as in all rooms. The apartment has been completely renovated, parquet floor, smooth walls keeping

the original doors of solid wood lacquered in white, which gives a warm air to the reform. It has two bathrooms, one en suite, both with shower. The house also stands out for its great luminosity, heating and air conditioning. The building has an elevator and minúsvico access. The sale price does not include the parking space. La Roqueta is a neighborhood with access to all services such as health center, buses, subway, supermarkets, schools, etc ... besides being a few minutes from the city center.
