Newly renovated apartment of two heights, in the neighborhood of Roqueta, center of Valencia.

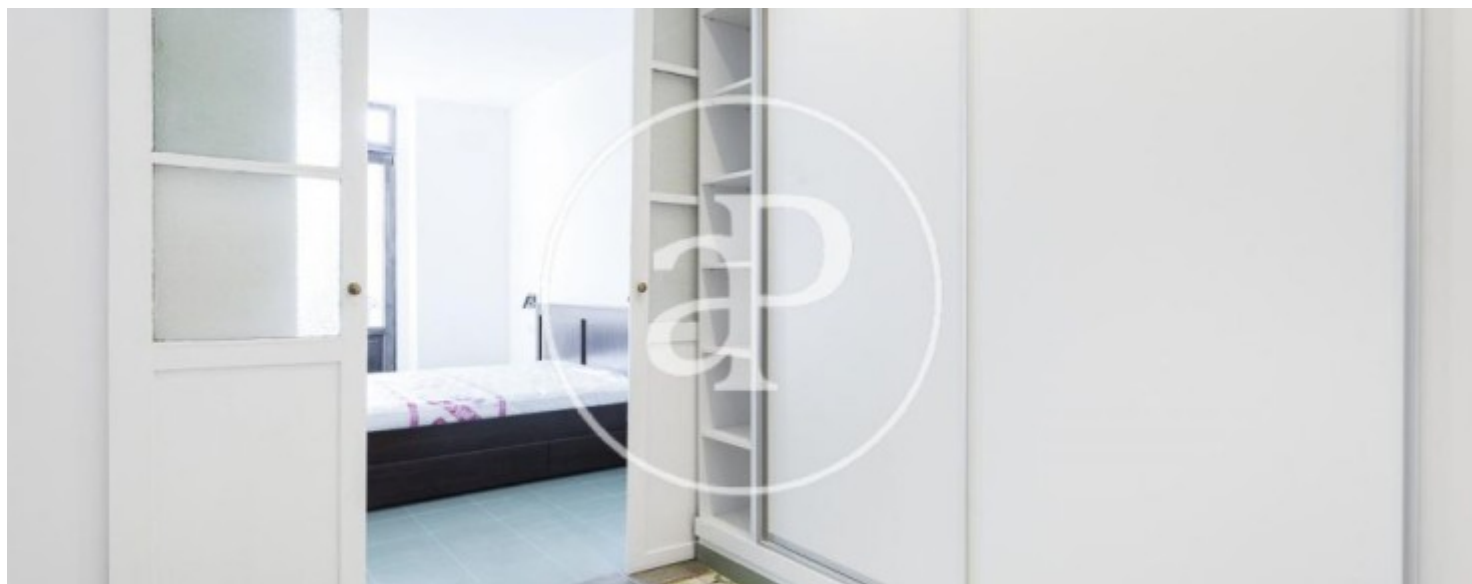

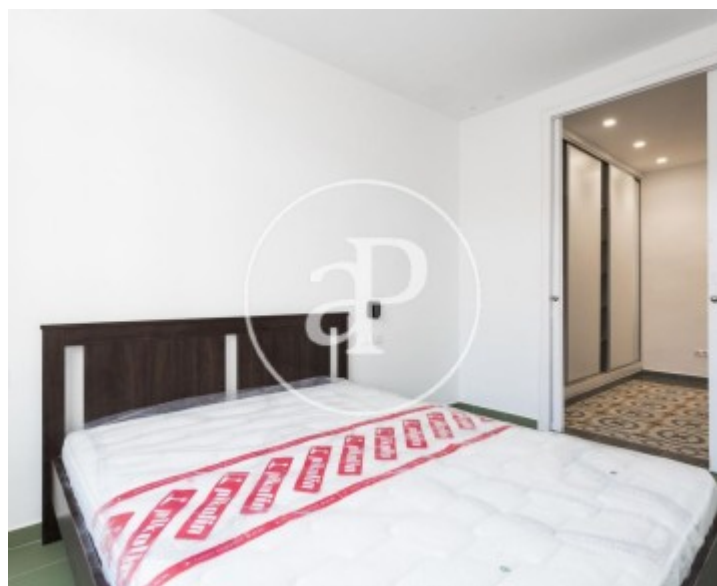

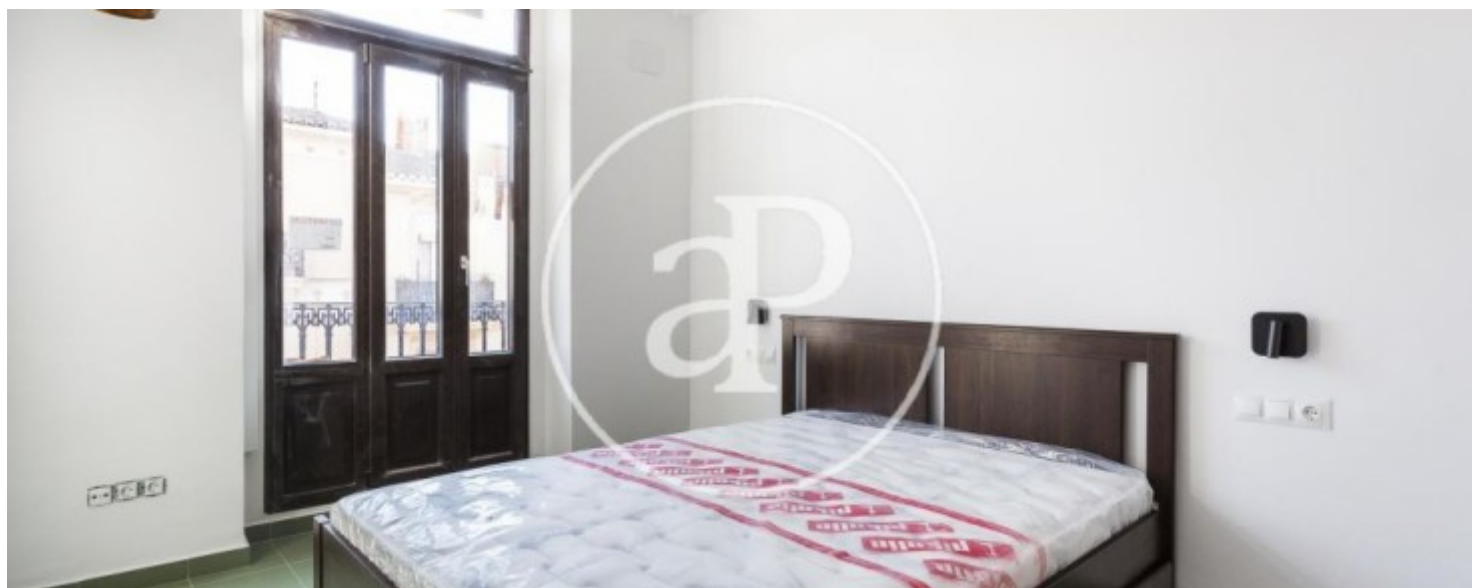

It has had an exquisite taste in the decoration and reform of the floor, preserving parts of the old house, such as the Valencian mosaic floor, original brick walls and wooden roof rafters. When we enter this house, we find on the right one of the two rooms fully furnished, and with a large dressing room. Since they have taken advantage of one of the old rooms of the building and have converted it as a dressing room. Even having such a generous size can be used as an office. Next we have the bathroom, following the decoration the same line of decoration of the entire floor.

The bathroom is complete with shower. The next room is where we have the living room and the kitchen. The living room is fully furnished. The kitchen has all the necessary appliances, refrigerator, microwave, washing machine, oven and light kitchen. We went up the stairs and found the second room where we found the second bedroom and the toilet. If you want to live in one of the most emblematic downtown neighborhoods of Valencia, this is your flat. Well connected by bus line, as well as by metro. And less than 5 minutes walk from the center of Valencia
