The apartment has 3 bedrooms, 2 bathrooms, a living-dining room, exterior gallery with laundry room and two outdoor terraces overlooking a very quiet and sunny street. As soon as we enter the house we find an open and bright space in which the kitchen is fully equipped with a central island, with plenty of storage space, where the appliances are integrated into the furniture and the ambient lights create a very warm and cozy environment. The living room has a large sofa and comfort as well as

a curious bookcase integrated into the space and a pleasantly bright dining room. If we take the corridor we go to the rest area, first we access two very bright rooms, with fitted wardrobes and a good size with a full bathroom with shower. Finally, we enter the good sized master bedroom with en suite bathroom, access to our own balcony and TV. The enclave neighborhood of this house is the Xerea neighborhood in Valencia, exclusive by location and services with the proximity of having everything within walking distance but with the convenience of being a quiet and pleasant area to live.
