A Property with Soul and Exceptional Potential on Cirilo Amorós In one of the quietest and most sought-after locations around Cirilo Amorós, next to the former riverbed, we find this magnificent 136 m² property, located on the fifth floor and filled with pleasant natural light. The property retains the charm of classic Valencian architecture, featuring high ceilings, a beautifully preserved façade and original mosaic flooring in some rooms. These elements offer an exceptional opportunity to create a home with personality and character. The property currently comprises three bedrooms, two bathrooms, a living-dining room and a kitchen, and requires a complete renovation. Its generous dimensions and layout allow for a fully bespoke project, making the most of the available space and adapting it to the lifestyle of its future owners. A property with an exceptional foundation: space, natural light, generous ceiling height and a privileged location, in a particularly peaceful residential area just minutes from the city centre. One of those properties that, with a thoughtful renovation, can be transformed into a truly extraordinary home.
