This beautiful designer apartment is rented next to the Mercado de Colón in a classic building but completely renovated.

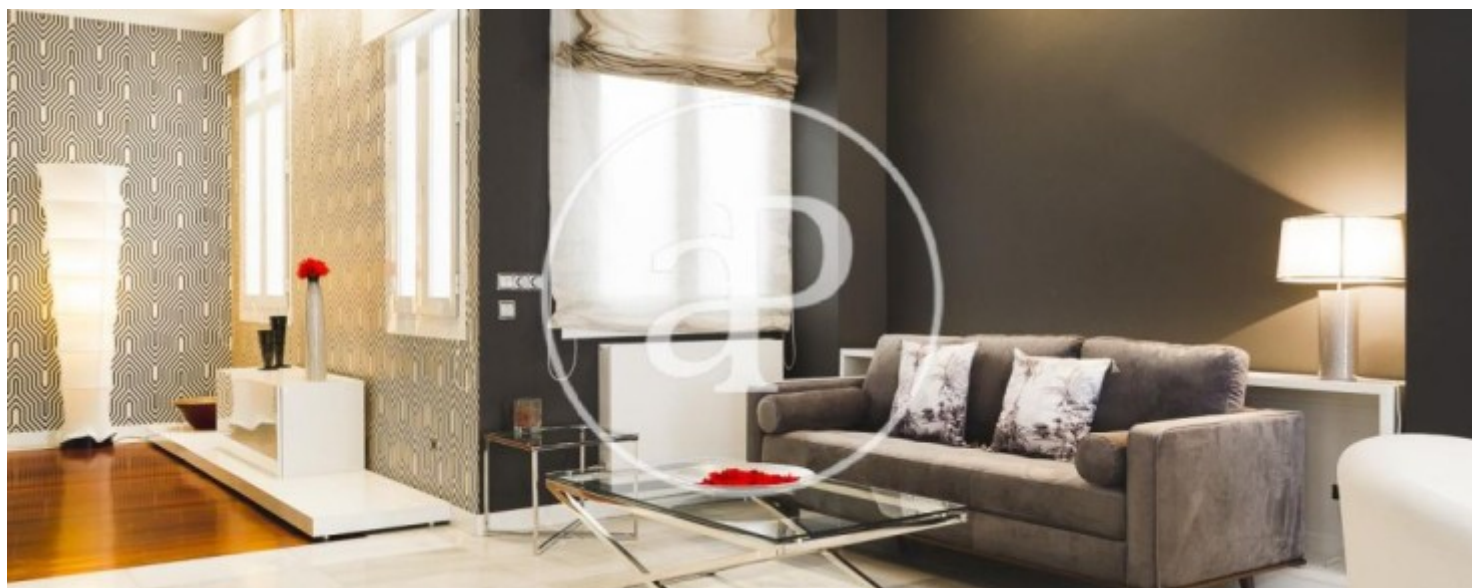

The apartment has a spectacular reform and is completely furnished with design. The house is distributed in a very logical way, as it is accessed, the hall literally separates the night area from the rest of the house. It gives way to a spectacular living room with three environments, living and television area, dining room and reading area or visiting room. The living room has three windows that give access to the balconies of the main facade that falls on a quiet and well-worn street. In this same area of the house is the kitchen of

aluminum design with appliances apanelados, wine cellar and two entrances. The night area is accessed from the hall, where we find a corridor that distributes all the rooms of the rest of the house: three bedrooms, two of them with built-in wardrobes and the third with a dressing room; two full bathroom frames, one with a shower and the other with a bathtub; washing area where is the washing machine, the dryer and the iron. In the hall we have additional cabinets. Finally, at the end of the corridor, there is the master bedroom which has direct access to an area that can be used as an...
