aProperties presents this spectacular flat in the centre of Valencia.

The flat is ideal for a large family that dreams of living close to all the amenities that a city like the city of light has to offer. The property has two entrances, one main entrance and the other leading to the kitchen: The main entrance presents us with a hall with built-in wardrobe to keep warm clothes for our guests, and leads us to a large living room with windows to the main street. It also has a viewpoint from where you can observe the city in ferment, but with absolute silence thanks to the large windows that soundproof the outside noise. From this room we find another hall that leads

us to the rest of the property where we enter a corridor that has twelve built-in wardrobes lined with French oak doors. The kitchen is very comfortable to work in, with a large marble worktop and a peninsula for eating, as well as many cupboards for storing kitchenware. Laundry room with a large sink, washing machine and top brand tumble dryer. The rest of the rooms are independent and private. There are four areas in which there are double bedrooms, complete bathrooms and dressing room area. A highlight would be the double bathroom in the main room in which there is a shower and toilet...
