New building (work) for sale with Terrace in Sant Pau (Valencia)

Exclusive homes and penthouses in the most avant-garde and emblematic development in Valencia. Living in the sky of the City of Light will be possible through these spectacular homes. Art and design by Ricardo Bofill for these Towers, where the most artistic dimension of architecture, personality and design is combined with habitability and comfort, without forgetting sustainability and integration with the environment. We assist residential architecture at its highest level, from the image, distribution, finishes and even the orientation of the homes or the brands that collaborate, corroborating that design is much more than aesthetics. It is a guarantee of quality. Every corner of the house is cared for down to the last detail. The rooms extend through large windows to their terraces, breaking the barriers that separate your private space from the city skyline. A place where the sky and the urban landscape are part of your home. The no less spectacular common areas include a garden with Mediterranean landscaping, which houses a large community pool with a large solarium, complemented by a gym and a gourmet social area. Located in Cortes Valencianas, next to the Palacio de C [...]
