Incredible detached house design is located in the urbanization Tros-Alt, between Torrent and Monserrat.

Its location allows easy access to the motorway a-7 towards Alicante or Barcelona, in that same exit we find the commercial P. Toll i L'Alberca, where you have supermarkets, shops, restaurants, etc. In addition, in the area there are several schools, green areas, health centers, etc. This spectacular property was built in 2006 with a single plot of 800m2 and 300m2 built, has a porch for 4 vehicles and automatic gate. In addition, you can access the kitchen with the car to download the purchase easily, this wonderful property cares for all the details and is

designed to make life easier for its tenants. The house is distributed in three floors: The ground floor consists of an open area to put: a lounge, an office, a room, games room, pool area, dance area, everything you can imagine, has huge windows where you can access the pool therefore you can also see the city of Valencia and as a background the sea. In addition, there is a room used as a warehouse and currently as a storage room. We also found a full bathroom to be able to provide a shower after a swim in the pool, without having to go through the entire house. The first floor consists of...
